I'm a Time-Warner Cable customer and wife ^{Karen} would like to ^{keep} RFD-TV on the air. It is hard to find good music and so forth on TV. When you are on fixed income it gets rough. Prices just keep going up. Cable charges for every thing. You buy new TV with HD, and cable takes it away a charge to give back.

Thanks,

Arnold Malone

pay if we can't get what we like! ;)

Dear Mr. Gotsdach, 116-41

Just want you to know I really appreciate your stance for RFD-TV.
I have written 2 letters. One to Version Foz and FCC. Have prayed for your huge success and that you are surrounded with favor and shield.

With great joy I express how much I have enjoyed getting to see you on TV (and see the man behind RFD-TV)
That's how we viewers can get to know you a little bit, or else we would have probably never seen you.

Thanks much &

Sincerely,

To whom this concerns FCC: 16-41

I watch RFD-TV a lot on
Direct TV.

This is rural where I live
and everything - weather - reuse
agriculture, equine, music,
that everything is so important to
me, a senior citizen.

It's not right for independent
like RFD-TV be singled out
and turned off. RFD-TV
is greatly needed.

KFTD-TV

Nashville, TN 37203 DOCKET FILE COPY ORIGINAL

I am writing in support of TV's Rural Senior Programming, hoping to save & continue with KFTD-TV on "Direct TV". We are farmers & help feed the world. A lot of the programs on KFTD-TV are beneficial to farmers, ranchers, agri business news, & markets that are not available on any other TV stations.

We listen daily to KFTD & enjoy various family type & Country Western programs, & especially "Hee Haw" re-runs. These are mostly on evenings & weekends.

Please keep our KFTD-TV station on "Direct TV." Being a rural area that is the only way we can get TV these days.

We receive TV on
"Direct TV"

Dear FCC 16-41

I am 75 yrs. old and love the RFD programs, especially the singing programs like Harry's Country Dinner, Joey & Rory, The Gaither Gospel program, Marty Stuart show, Country Family Reunion, and all the other programs.

I was on cable and subscribed to the package that had RFD-TV so I could watch Joey & Rory and followed that show until she passed away. ~~COCKETTE FILE COPY ORIGINAL~~ went up to high, so I got Dish. So far it hasn't gone up to high. I watch weather also, and when they had that parade with all the tractors & horses like Roy Rogers horse, it was joy to watch that.

Please don't take that away from us old people and the younger people too.

I Love RFD-TV, so please let me get to keep watching it. We don't get much joy in our life and RFD-TV is a joy to watch.

Someday you may be old and

would need to have some ch.s to
watch to keep you happy.
Please let us keep
our RFD - ch. and the
others you want to get rid
of.

are even thinking of

removing R.T.D. T.V. from

I have already dropped
Verizon because they took
it off of their programs.

Don't you know R.T.D.
is very informative - It
teaches children where the

animals & the country
music is great.

T.V. is very impressive
on children. They certainly
see enough sex & criminall
activity on so many
programs.

Why don't you think about
removing some of those
net works instead of
Something decent!

I don't like to think
you have control over
what I watch!

Verizon should have
considered their customers
before taking P.T.O. off.

Maybe you better
think twice!!

Dear FCC - 16-41
JACKET FILE COPY ORIGINAL
We watch RFD-TV on Dish.

As I stated before - RFD-TV is one of our favorites. Mainly because there are so many different types of shows. Not all Western, Religious - sports etc. Saturday evening being our favorite Gaither - Don Reno - Presleys - Marty Stuart - Ray Stevens - Cumberland - Vincent + Daily - Country Reporter. & This past weekend there was Barrel Racing. Just think a 13 yrs old + a 9 yr old in the same contest. & not long ago there was a show don't know its name - but an auction of Breeding Bulls. That's all I know to call it, a hunk of Beef & starting bid of \$50,000. IT was interesting. Weird because we don't eat beef. As older people we enjoy shows in which they keep their clothes on & out of bed.

So Please keep RFD-TV on
thank you.

I do not understand why you
would want to block a great
wholesome station like RFD TV.
It is a network we can watch
without seeing violence and
sex. We can learn about
different parts of the country
also rural people and city
people that like the rural
life style can learn a
great deal about our nation.
It has great country music
farmers which grow your
food can learn about the
different ways of farming
the crop controls. It is
a network no one is
ashamed to let the Grandkids
~~watch it~~ ^{DOCKET FILE COPY ORIGINAL} be loyal to
entertainers such as Joey & Rory.
I hope you see the many
advantages this network provides.

Dear FCC

To whom it may concern:

In regards To Proceeding # 16-41.

Our household is presently able To
watch RFD-TV on Dish SATELLITE STATION
231 channel which we are well pleased
To get for our viewing. IT provides us
with GOOD, CLEAN VARIETY viewing
& entertainment which we enjoy. We
definately do Not want RFD-TV removed
and or restricted by any means from
our viewing. With so many channels (most
of which are not watched at This house
due To poor quality content) it is great
To have A good STATION To watch! The
~~Verizon Corp~~ or any other Corporation or
~~DOCKET FILE COPY ORIGINAL~~ group should not be allowed To restrict
quality programs from T.V or radio. RFD-TV
is good quality entertainment. Thank you

Re: 16-41

I grew up in Chattanooga, Tennessee; however, I had the privilege to stay on farm in Rutherford County, Tennessee in the summer. There I witnessed threshing, orchard production, milking and haying. We made apple cider, vinegar, played cowboys and Indians in the barn, rode bicycles on the country roads and attended gospel meetings for entertainment in the summer.

Now, my two brothers and I inherited the farm and RFTV keeps me to more than enough to manage the farm. I have learned about the futures market, the importance of soil testing, Market News and what the good practices of a farm management are.

When active I knew almost the cream or top layer of farming. Now, I am involved in all layers of farming. Please leave the RFTV channel available to the free education.

I also enjoy the Ray Stevens show, Molly B.'s Pappa Party, Country Reunion and George Country Show, Lester Black is super. Please leave RFTV as it is. Sincerely,
Jace D. Sliger
Thank you.
